

Bill Baxter, BRAC HR Program Manager with the Army Materiel Command, presents to Cecil County Public Schools

Bill Baxter, BRAC HR Program Manager with the Army Materiel Command, presents to Cecil County Public Schools Technical education teachers on lucrative job opportunities for students interested in working for the Army at Aberdeen Proving Ground.

"This is not about boot camp; these are technical jobs for skilled men and women who wish to pursue a civilian DoD career with the Army," said Baxter. He also talked about the jobs requiring US citizenship, the importance of positive financial behavior in obtaining a security clearance, and opportunities for growth and mobility within the Army.
