Public Workshops Scheduled on Proposed Zoning Code

(Bel Air, MD – June 4, 2008) - - The Department of Planning and Zoning will conduct a series of public workshops designed to obtain citizen input on the proposed Zoning Code. This update of the Zoning Code represents the first comprehensive revision of the Code that has occurred since 1982.

Three public workshops are scheduled for June and July. The workshops will be held on June 25, 2008 in North Harford High School's cafeteria, June 26, 2008 in Harford Community College's Chesapeake Center, and July 10, 2008 in Joppatowne High School's cafeteria. Citizens interested in attending the workshops can stop by any of the workshops between 6:30 P.M and 8:30 P.M.

The workshops will feature a series of stations where staff will be available to answer questions about the proposed changes to the Code. A handout summarizing the proposed changes will be available. Comment Forms will also be provided at the workshops or they will be available online. All comments must be received by the close of business on July 14, 2008. It is recommended that attendees review the Code prior to the meeting. The Zoning Code, along with the Comment Form, is available online at www.harfordcountymd.gov/ZCUpdate or a copy can be made available on disc by request.
